Who are we?
AMESVI is a non-profit, 501c3 professional organization dedicated to improving teacher quality and student achievement in Massachusetts schools on behalf of students with visual impairments, including those with additional disabilities.

What is our mission?
Our goal as an association of professionals is to improve and enrich the lives of students with visual impairments through advocacy, professional development, and the education of others, including families, school staff, and members of the general public, regarding the unique educational needs of students with visual impairments.

What is our purpose?
The purpose of our organization is to provide both a voice in policy making and a network of support to members of our profession in Massachusetts.
How does AMESVI support its members?

- Professional development opportunities
- State-wide conferences
- Regular regional meetings
- Informative newsletters
- Listserv
- Website

Who should join AMESVI?

- Teachers of students with Visual Impairments
- Teachers of the Deaf-Blind
- Orientation and Mobility Specialists
- Paraprofessionals working with students with visual impairments
- University personnel who prepare students to work in the field of visual impairments
- Administrators of programs which primarily serve students with visual impairments
